

"Splendid", "Enriching" say Nursery teachers

"Very easy methodology of teaching that is very creative. The children will learn in an enthusiastic way."

Saritha, Holy Angels High School, Bolarum

"Teachers understood all points explained to become a Popular Teacher."

Hemalatha, Sri Balaji Kranthi High School, Jagathirigutta

"Not only as a teacher even as a mother. I want to change my thoughts and enjoy my life with my son and as well as with my students."

Sharon, Little Flower School, Secunderabad

"Your session has reduced the burden of the teachers. It will definitely help us to improve our teaching."

Kavitha Harvest School, Khammam

"I think that teaching with multimedia is very colourful, joyful and playful to the students and also to the teachers."

Lavanya, Little Flower School, Secunderabad

"I have decided to continue in my nursery teacher job which I had planned to quit earlier."

Sri Latha, Buds & Flowers High School, Hyderabad

"You taught us to mould the naughty children; how to attract the children; how to be with the children."

Asra Farheen Shalom School

"This session has given me new information about teaching the children."

Anuradha Rising Sun High School, Bolarum

"It was a wonderful seminar. I have really improved myself regarding different skills of teaching."

T. Kalyan Holy Angels High School,

"I learnt many easy methods for teaching to the children due to this session. I have learnt how to behave with the children."

Nazmeen Khanam, Baby Moon High school, Khammam.
